Customers put their trust in Ifor Williams Trailers. Synonymous with safety and quality, our horseboxes have been protecting horses in transit for over 30 years, that's why we have named our Limited Edition Horsebox, Epona.

Derived from Celtic legend, Epona is The Celtic Goddess of Horses. As a protector of horses, she was held in high esteem on all her journeys.

The Epona will be manufactured in limited numbers to this specification, and will be available as a HB505 and HB510 model.

Incorporating all the features seen on our Classic edition models, plus a little more, Epona models are styled with an eye catching graphite metallic exterior and a pearlescent silver interior.

If you're looking for a head turning trailer that will wow the crowds, The Epona is the natural choice.

Distinguishable features on Epona models include:

- Graphite Metallic Colouring
- Epona Branding
- Lockable Groom's Door with Flush Fitting Lock
- Sliding Windows
- Window Protection Bars
- Re-Shaped Mudguards
- Alloy Wheels
- Locking Wheel Bolts
